How it works

1	**Talk to us.** Free consultation or free audit, by WhatsApp, call or a short visit.
2	**Choose a package.** We confirm what you get, the price and the delivery date in writing.
3	**Pay the deposit.** Mobile money or cash. Work starts once the deposit and your business details are in.
4	**Go live.** We set everything up, hand over the accounts to you and show you how to use them.

Start with a free audit. Message us on WhatsApp at +233 54 574 8380 and we will review your current Google and WhatsApp presence and suggest the right package.

Starter

GH¢ 350 one time

Get found on Google and make it easy to order on WhatsApp. Ready within one week.

Best for

Shops, food vendors, salons, guesthouses and tour operators that have customers but are hard to find online or answer the same questions all day.

What you get

- ✓ **Google Business Profile** set up so you appear on Search and Maps: business name, category, opening hours, phone number, location pin, description and up to 10 photos.
- ✓ **WhatsApp Business** set up on your own number: profile, greeting message, away message and three quick replies for prices, location and ordering.
- ✓ **WhatsApp catalogue** with up to 10 products or services, each with a name, price, description and photo, using the details and photos you supply.
- ✓ **Three promo graphics** in your business colors, sized for WhatsApp status and Facebook.
- ✓ **One-week onboarding** ending with a handover session, so you know how to update your catalogue, reply to customers and read basic profile statistics.

Not included

- – Paid advertising, printing, domain or hosting fees
- – Product photography visits (we can quote these)
- – Ongoing daily management of your accounts (see Growth)

Your week

Day 1	Intake: we collect your business details, product list, prices and photos.
Days 2 to 4	We build your Google profile, WhatsApp setup, catalogue and graphics.
Day 5	You review everything. One round of changes is included.
Days 6 and 7	Final handover and a short training session with you or your staff.

Starter: GH¢ 350. Pay GH¢ 175 to begin and GH¢ 175 before final handover. Chat with us on WhatsApp to start.

Growth

GH¢ 600 per month

Everything in Starter, plus someone to keep your pages active and handle the busywork.

Best for

Businesses that already sell regularly and want steady posting, quicker follow-up on enquiries and orders, and less admin on the owner's plate.

What you get each month

- ✓ **Everything in Starter**, set up in your first month at no extra charge (a GH¢ 350 value), with the WhatsApp catalogue extended to up to 20 items.
- ✓ **Social profile management** for up to 2 profiles (for example Facebook and Instagram): 12 graphics with ready-to-post captions, a simple posting calendar and scheduled posting.
- ✓ **Monthly virtual assistant support**, up to 6 hours: following up on enquiries, tracking orders, updating the catalogue, and simple admin tasks you hand over.
- ✓ **Short monthly summary**: what was posted, enquiries received and which post worked best.
- ✓ **One round of changes** on each batch of graphics.

Not included

- – Paid advertising budget (we can manage ads for a separate quote)
- – Replying to customers throughout the day, every day
- – Delivery integration and full analytics (see Premium)

How billing works

GH¢ 600 is paid at the start of each month by mobile money or cash. There is no long contract: cancel any time with 7 days' notice before the next month begins. Hours and graphics do not roll over to the next month.

Growth: GH¢ 600 per month. Your first month includes the full Starter setup. Message us on WhatsApp to get Growth.

Premium

GH¢ 1,200 per month

A complete setup and a dedicated assistant, for businesses that take orders every day.

Best for

Restaurants, shops, caterers and service businesses that take orders every day and need quick replies and reliable delivery.

What you get each month

- ✓ **Full setup in your first month** at no extra charge: Google Business Profile, WhatsApp Business with a catalogue of up to 30 items, and your social profiles organised and branded.
- ✓ **Dedicated virtual assistant**, up to 40 hours a month (about 10 hours a week) at agreed times: customer messages, order handling, follow-ups, catalogue and content support.
- ✓ **Delivery integration**: we agree a simple order-to-delivery flow with your preferred riders or dispatch, with a standard order message and tracking sheet.
- ✓ **Content for up to 3 profiles**: 20 graphics a month with captions, plus scheduled posting and basic engagement.
- ✓ **Monthly analytics report and a 30-minute review call**: enquiries, orders, profile views, best-performing posts and what to change next month.

Not included

- – POS hardware or software subscriptions (setup is quoted separately, see add-ons)
- – Delivery rider fees, paid advertising budget, printing, domain or hosting
- – Cover outside the agreed assistant hours

How billing works

GH¢ 1,200 is paid at the start of each month by mobile money or cash. There is no long contract: cancel any time with 7 days' notice before the next month begins. We agree the assistant's hours and the delivery process in writing before work starts.

Premium: GH¢ 1,200 per month. Your first month includes the full setup. Message us on WhatsApp to go Premium.

Add-ons and Terms

Only need one thing? These are available on their own.

Add-on	Price	What it includes
WhatsApp Business setup	GH¢ 150	Profile, greeting and away messages, quick replies, catalogue starter.
Google Business Profile setup	GH¢ 200	Profile, location on Maps, hours, description and up to 10 photos.
Single promo graphic	GH¢ 60	One designed graphic, delivered within 24 hours.
POS system setup	Quoted	Setup of a sales and stock tool after a short visit to see how you work. You buy any hardware or subscription.
Extra assistant hours	GH¢ 30 per hour	For Growth or Premium clients who need more time than their package includes.

Terms

- **Deposit.** One-time packages: 50% to begin, 50% before final handover. Monthly packages: paid at the start of each month.
- **Scope in writing.** We confirm what you receive, the price and the delivery date before work begins.
- **Changes.** One round of changes is included on each deliverable. More rounds are quoted.
- **Your accounts stay yours.** Pages and numbers are set up under your ownership, and we ask your permission before using your photos or results in our portfolio.
- **What we promise.** We deliver the work listed. We cannot promise a number of customers, extra sales or a Google ranking, because those depend on your business too.
- **Costs we do not cover.** Advertising spend, printing, domain and hosting, product photography trips, mobile data for your business, POS equipment and rider fees.
- **Prices.** All prices are in Ghana cedis and apply to businesses in Kwahu. They are valid from November 2026 and may be reviewed with notice.
